BENJAMIN DAHL

853 Skeel Dr.   Camarillo, CA 93010   (218) 684-1160   bdahl1@liberty.edu   https://bsdahl.github.io/

Experienced Web Developer with 7+ years' experience in front-end design and 3+ years' experience in back-end web application development. Experience across a broad range of information technology including Linux server management, systems development, network design and implementation, and I.T. support. Working both professionally and as a freelancer I've worked closely with clients to understand their needs and requirements and to deliver business solutions on top of beautiful and well coded websites.
